I am Olivia, I'm 14 live with my family. I have a little sister named Amelia and a boyfriend named Sam. I love him so much . We go to the same high school and we have 3 classes together. I count lunch as a class! Today we were going to have a study date after school. It was 4:00 and I was home alone. HE was coming over at 5 that is if my mom or dad came home they say I'm not allowed to be home alone with friends or boyfriends or girlfriends. Yes girlfriends, I don't know what I was thinking . I wanted to be like my friends which were all bi. But anyways I saw my moms car drive up the driveway followed a few minutes later by Sam's mom's car. I went outside to meet him.

"Hey Liv" He smiled and hugged me

"Hey Sam" I replied

We went inside and two hours passed by when his mom came to get him.

"See ya tomorrow hun" He gave me a kiss and walked to his mom's car. I waved good bye to him. Then I remembered what he was talking about . We had a date tomorrow. I should go get ready I thought to myself.

LE TIME SKIP TO THE NEXT DAY

I was waiting for him to pick me up when I saw him walking toward me . We were going to the park for a picnic. Then I saw a car coming at him.

"Sam!" I ran towards him and pushed him out of the way. The car and I collided.
